This is a special event. CWA and The Academy of Sciences would like the CWA Plein Air painters to paint on A of S property; we will be painting on the roof or inside the building. We can paint anywhere inside; the rainforest, the East or West Garden, the African Hall, the Aquarium and on the roof. Come early and take a walk through, there's a lot to see and paint. Please RSVP to participate! See below.

Enter through the business entrance; the back door at 75 Nancy Pelosi Dr. Parking for us will be marked off with A frames that say no parking behind the building on Nancy Pelosi Drive. Print this parking pass and see this map of CWA's parking area. It's a good idea to car pool. Wear the CWA apron or t-shirt if you have one. Lunch is provided! See this map for the layout of the building <http://www.calacademy.org/map>

- Arrive at 9:00 am and pick up your name tag. Amy Miller, Director of Public Programs, will be distributing signs with stanchions once you select the area you want to paint. [We will be asked to sign this release and indemnity agreement upon arrival.](#)
- Paint from 9:30 am – 12:30 pm \*we don't want to block pathways or fill all of the viewing platforms in the rainforest. Make sure the general public has access and your painting equipment is out of the way.
- Break for lunch at 12:30 pm on, switch off with your partner. Pick up lunch in a meeting room at the business entrance (back door).
- 2 pm – Meet in the Piazza with our paintings on our easels for discussion. If you are approached by a buyer for your art please give them your contact information and arrange to sell your painting off site. We cannot sell our paintings (this time) inside the building.

An RSVP is required as Ruth Miller will be giving the Academy of Sciences a list of names for our free entrance and the free lunch being generously provided for us. **RSVP to [sam@samanthamcnally.com](mailto:sam@samanthamcnally.com) before July 9.** We need to send the list of artist's names to the Academy on July 9, one week prior.

This will be a fun event; we hope to have plenty of CWA artists participating!
